Content modules

Three columns:

Sales packaging

Interseroh Dual System

Transport packaging

Two columns

Sales packaging

Interseroh Dual System

The Content Module serves as navigation for the subpage. It is used for different content to various subjects within a menu option. More than two subjects will be organized in three columns. Two subjects will be organized in two columns. Example: Packaging take-back and recycling

Content tab modules

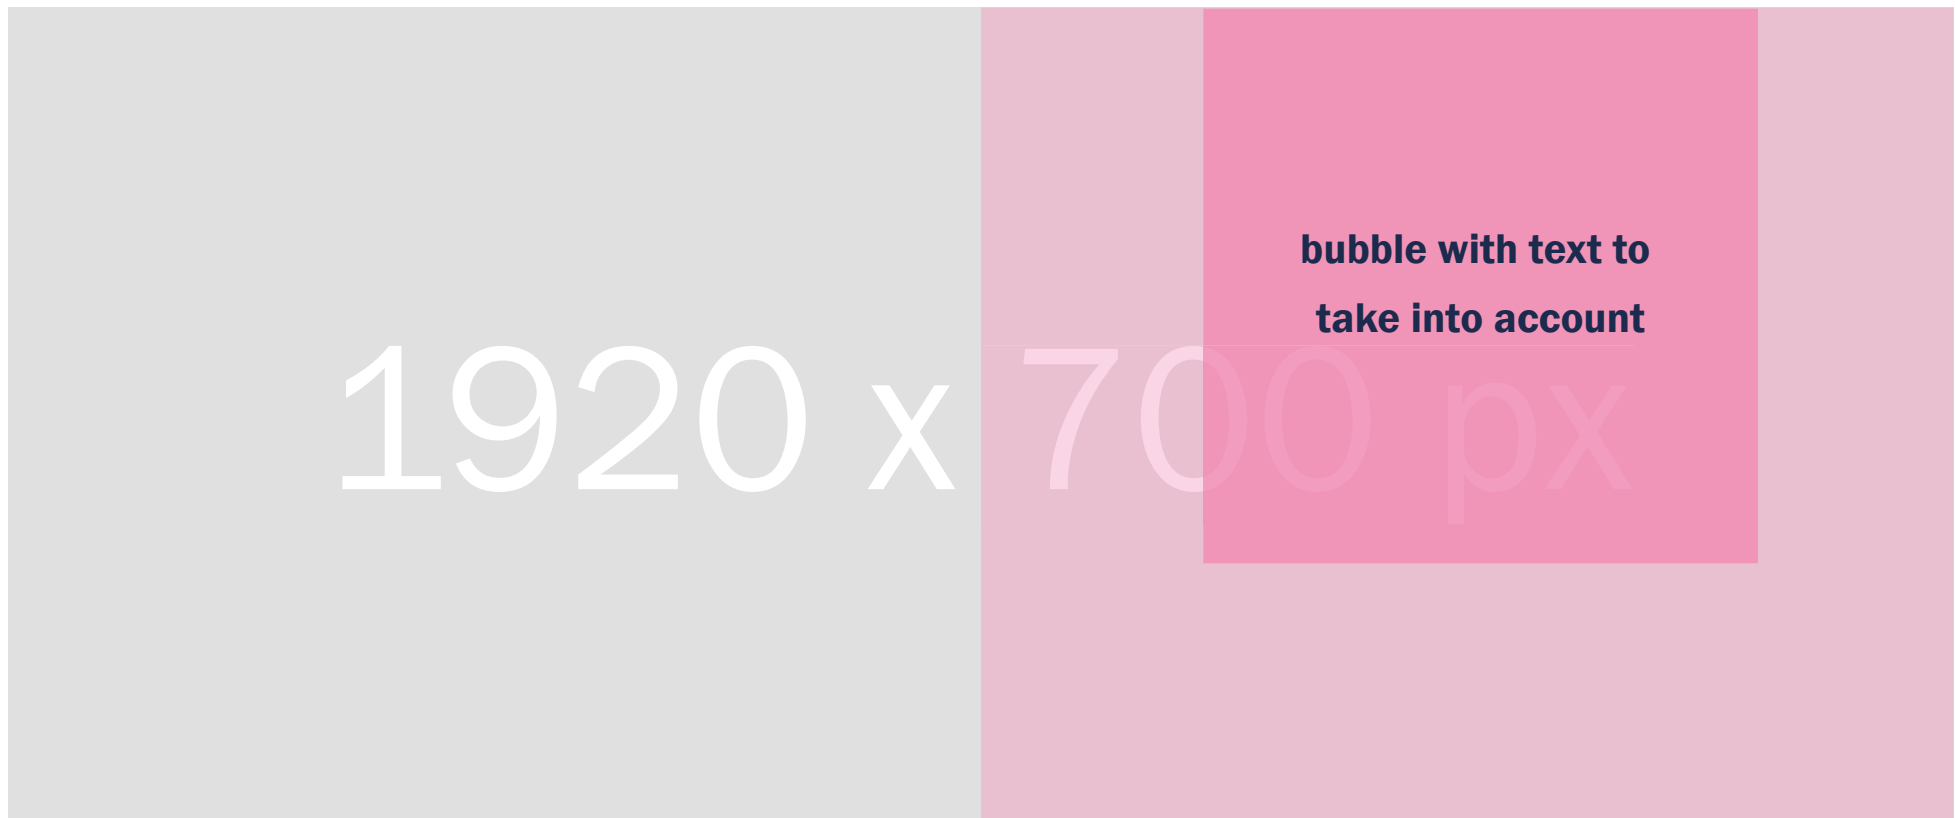

The Content Tab Module is used on the subpages for different content to one subject. Example: Latest news
